Marketing Table

The Marketing Table is a table specifically designated for displaying material supplied under this scheme. It is located in a high profile location in the room used by all exhibitors and also the location for delegate breaks and lunch.

This is an unmanned site and companies using the table are not permitted to stand by the table and use it as if it were an exhibition stand.

It is estimated that, 200 pieces of material will be required to ensure there is sufficient for every delegate. A final confirmation of the quantity will be made two weeks prior to the event.

Materials to be included on the Marketing Table should be delivered to our office in Chertsey no later than 1 week prior to the event.

Excess materials will not be returned unless requested. A charge will be made for this service (depending on weight) if it is required.

Package price

- The charge, per item, placed on the Marketing Table is £100
- A special price of 1 item on the Marketing Table + an industry place at the conference for £250

All prices are subject to VAT, all invoices must be settled prior to the event.
